Thank You

The more you give, the more you
get

The more you do unselfishly
The more you live abundantly.

The more of everything you share,
The more you laugh, the less you
fret.

The more you'll always have to
spare.

The more you love, the more you'll
find

That life is good and friends are
kind.

For only what we give away,
Enriches us from day to day.
