Vision

PRESENTATIONPK.COM

A dynamic and credible consortium for health research and development and a catalyst for the improvement of the quality of life

PRESENTATIONPK.COM

Mission

PRESENTATIONEX.COM

NorMinCoHRD is committed:

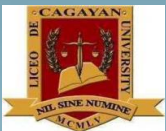

to improve quality of life by setting directions and influencing policies through the conduct of priority health R & D, sustained linkages, and effective research dissemination and utilization

PRESENTATIONEX.COM

Strategies

- ✓ Setting of direction and priorities in health R & D responsive to changing environment
- ✓ Conduct of relevant R & D
- ✓ Strengthening / Sustaining partnerships and linkages
- ✓ Pooling of resources of member agencies
- ✓ Research dissemination and utilization

Member Agencies/Institutions

- ✓ Cagayan de Oro College – PHINMA Education
- ✓ Capitol University
- ✓ Liceo de Cagayan University
- ✓ Xavier University – Jose P. Rizal School of Medicine
- ✓ Bukidnon State University
- ✓ Central Mindanao University
- ✓ Mindanao State University – Iligan Institute of Technology
- ✓ Northern Mindanao Medical Center
- ✓ Commission on Higher Education – 10
- ✓ National Economic & Development Authority – 10

Research Information and Dissemination:

Health Research Fora/Information Caravan

Ω Four (4) health research forums in 2009 were conducted/hosted and co-funded by:
Xavier University (1),
Liceo de Cagayan University (1)
Capitol University (1)
MSU-Iligan Institute of Technology (1)

Capacity Building

Sharing of Expertise and Facilities

Ω Conducted three (3) sets of training in 2009

- ✓ Research Management Training
UERM, XU-JPRSM, DOST-10, PCHRD
- ✓ Basic Research & Ethics Training
All member-institutions (XU-JPRSM, Liceo de Cagayan, Capitol University, MSU-IIT with Dr. Ces Acuin of UP-NIH)
- ✓ HERDIN Neon and Networking of Libraries
hosted by: Liceo de Cagayan University

Proposal Reviews/Evaluation, Planning Workshops Meetings hosted/facilitated by member institutions

Maintaining Databases and Inventory of Researches

- MSU-IIT
- XU-JPRSM
- CMU
- LdeCU
- CU

Institutionalization of Research Agenda Setting

- Joint Planning Workshops among member - agencies
- Need/problem-based research agenda setting by institutions

Mechanisms or Strategies that Encourages Resource Sharing

- Expanding Membership (increase pool of experts, facilities & resources)
- Mentoring
 - Expertise Sharing (members serving as trainers thru mentoring)
 - Literature Sharing
- Research Funding
 - Seed Fund to generate counterpart funds (DOH, DOST, CHED funds)
- Strengthening of linkage among member institutions:
 - Partnership beyond NorMinCoHRD
Natural and Social Science Congress of XU
Phil. Association of Institutions for Research (PAIR) forums
 - Regular meetings
 - Capability and Team building

What PNHRs should do to promote real resource sharing in health research system?

- Empowering regional consortia in research proposal approval to create a sense of ownership
- Decentralizing and Downloading regional research funds to the region to generate counterpart funds and fast track:
 - Funding research and activities
 - capability building (facilities and expertise)
