

**PNHRS**

Philippine National  
Health Research System

**Technical Working Committees  
(TWCs); Inter-TWC Chairs Meeting**

# 6 Technical Working Committees

1. Structure Organization Monitoring & Evaluation
  2. Research Agenda
  3. Capacity Building
  4. Resource Mobilization
  5. Research Utilization
  6. Research Ethics [Philippine Health Research Ethic Board, PHREB]
- \*Inter-Technical Working Committees  
(alignment, convergence)

# Firmed up Functions of the TWCs; defined composition

- 4 implementing institutions (DOH, DOST, CHED, UPM-NIH)
- 3 representatives from any of these : regional consortia, HEIs, private sector, industry, civil society or NGO

# Set PNHRS Inter-Technical Working Committee Chairs (Inter-TWCC) Meeting every two months

- ▶ Promote coordination and cooperation among TWCs;
- ▶ Provide a forum for discussion on PNHRS best practices and lessons learned on issues related to System governance and program implementation; and
- ▶ Make recommendations to the PNHRS Steering Committee in regard improvement and harmonization of plans and programs of the six (6) TWCs.
