

Philippine National Health Research System

4TH PNHRS STEERING COMMITTEE MEETING

APPROVAL OF THE MINUTES

4TH PNHRS STEERING COMMITTEE MEETING

BUSINESS ARISING FROM THE MINUTES

Item	Action	Update
<p>Assessment of NUHRA 2011-2016</p>	<p>NUHRA 2017-2022 should consider inputs from the regions [Research Agenda Management Committee]</p>	<p>NUHRA 2017-2022 consulted all regions before coming up with the six themes. The DOH agenda was incorporated.</p> <p>A reprinting of the Agenda is in progress; but a downloadable version is available at PCHRD and PNHRS websites</p>
	<p>Come up with an advocacy plan for the NUHRA</p> <p>[Research Utilization Committee]</p>	<p>A draft communication plan was presented in November 2017. The consortia communication plan will include promoting NUHRA. Presentation in different forums had started.</p> <p>Target groups include LGUs. Promotion materials such as one-pagers will be produced; some of the collaterals.</p>

Item	Action	Update
<p>Increasing awareness on research and research incentives</p>	<p>Update the research registries/databases and websites</p> <p>[Research Utilization Committee]</p>	<p>HERDIN institutional tour started in 2017; the use of the databases and the Philippine Health Research Registry was promoted, including how institutions can contribute to the repository.</p> <p>PCHRD, PNHRS and consortia websites were updated; to inform about research opportunities and incentives. The use of social media widened the reach</p>

Item	Action	Update
<p>PNHRS M& E Tool</p>	<p>Consider the M&E component of each TWC</p> <p>[SOME Committee]</p> <p>Come up with a policy instrument to engage HEIs, RDIs and consortia to use the tools</p> <p>[SOME Committee]</p> <p>Gather baseline information</p> <p>[SOME Committee]</p>	<p>M&E tool considered the requirements of the PNHRS performance indicators [in the Strategy Map] and those of the TWCs.</p> <p>Joint DOH-DOST-CHED-UPM-NIH circular was printed in the gazette February 2017. Discussions with CHED to include this in CHED Memo Orders was done.</p> <p>For the consortium tool: data inputting started.</p> <p>For the tools for the institution and its researches/researchers: pilot run of the online system in five institutions.</p>

Item	Action	Update
<p>Disparity in funding by core agencies and regional consortia [may be attributed to disparate competencies between and among regions]</p>	<p>Assess the capacity building requirements by region.</p> <p>[Capacity Building Committee]</p> <p>Assist regions in proposal development to enable them to have greater access to research resources.</p> <p>[Capacity Building Committee]</p> <p>Identify strategies to mobilize resources in the region.</p> <p>[Resource Mobilization Committee]</p>	<p>CBC is undertaking this with the consortia CBCs</p> <p>Some research programs are doing this, e.g., DRR/CC-Health.</p> <p>ResMob Committee to consider this in its plan.</p>

Philippine National Health Research System

BACKGROUND

Established in March 2003 by DOST and DOH to be a vibrant, dynamic and responsible health research community for the attainment of national and global health goals

BACKGROUND

- In 2007, four agencies joined forces to form the PNHRs core agencies

Presidential Proclamation 1309, June 2007

- President Gloria Arroyo declared every 2nd week of August of every year as PNHRs Week

DESCRIPTION

- Integrated national framework for health research in the country
- A convergence strategy that aims to promote cooperation and integration of all health research efforts and stakeholders in the country to ensure that research contributes to evidence-informed health policies and actions

Republic of the Philippines
Congress of the Philippines

Metro Manila
Fifteenth Congress
Third Regular Session

Begun and held in Metro Manila, on Monday, the twenty-third day of July, two thousand twelve..

*

Be it enacted by the Senate and House of Representatives of the Philippines in Congress assembled:
